## Request for Name to Be Placed on Ballot for PEI Board of Directors Election

---

Under PEI's election procedure, an Official Representative or a duly appointed alternate must request to have his/her name included on the ballot, indicating a willingness to serve on the Board of Directors if elected. **A request for your name to be included must be received by PEI not less than seven (7) days prior to the distribution of the ballots. Ballots will be sent June 26, 2017.**

Certain responsibilities are required of PEI directors. These responsibilities are outlined on our website at [www.pei.org/election](http://www.pei.org/election).

If you or someone from your company wish to be considered for election to the PEI board, please complete this form and return to PEI by **June 19, 2017**.

Please include my name on the ballot for the next election. I have reviewed the responsibilities of a director and, if elected, am willing to serve.
